

The Hog's Head Inn Visitor Charter

The Hog's Head Inn is located in a very special area. It's no wonder the likes of Downton Abbey and Harry Potter have been filmed here! Looking after the environment around us means a lot to us here at The Hog's Head Inn and we ask everyone enjoying our facilities to help us conserve the environment around us by following our suggestions below... We'd love to hear about your suggestions and tips for protecting our environment! Share them with us and you could win vouchers to redeem with us.

Give your car a holiday

Explore Northumberland by foot, hire a bike locally or hop aboard the bus. Just ask a member of staff about timetables.

Keep it local

We love supporting our friendly local businesses. There are so many great places to shop and visit nearby. Browse our tourist information area or ask a member of staff for their tips and suggestions on what to do and where to go! Discounts are available for our guests at attractions including Bamburgh Castle and Alnwick Castle.

Love our natural surroundings

The countryside and beaches around us are amazing and so is the wildlife that makes its home there. Help us protect our natural surroundings by taking your litter home with you, using footpaths and cycle ways responsibly and guarding against fire.

Love the environment We already use energy efficient light bulbs, have heat replacement in air conditioning systems and use card activated power to rooms and are hot water is powered by solar pre heating. We have double glazing and super insulated accommodation to help reduce energy wastage and keep you warm. There are some simple ways in which you can join us to save energy. Switch lights off when not in use. Close windows when you have your heating on. Unplug chargers for electronic devices and turn the TV off rather than leaving it on standby. Save water by turning off taps when brushing your teeth.
